Letter No.2164/Mis.301 dated 7/8th October 1917 from the Inspector General of Police in Mysore, to the Senior Surgeon.

I have the honor to invite reference to my letter No. 1987/Mis.274 dated the 29th September 1917, regarding the deputation of a Police guard to the Lunatics Contact Camp on the Magadi Road, and to request the favour of an immediate reply as to how long this staff would be required. The Dasara festivities are fast approaching and all the available Special Reserve men have to be sent to Mysore for duty there, at the palace and the Exhibition grounds, which will necessitate my withdrawing the men/on now duty at the Lunatics Camp. I would therefore suggest that in case the Camp is to continue there beyond the 12th instant, you may move the Government for sanctioning a temporary guarding establishment for the period required, as policemen cannot be spared for the purpose, the City Force also being already very short of its strength, owing to large number of vacancies.

Letter No.C.960-7 dated 8th October 1917 from the Senior Surgeon, to the Inspector General of Police in Mysore.

In reply to your letter No.1987/Mis.274 dated 29th September 1917, I have the honor to inform you that the services of the police men will be required for a few weeks.

With reference to Government Proceedings No.1521-6/Med.43-17 dated 7th September 1917, directing the removal of the inmates of the Lunatic Asylum temporarily to the accommodation arranged for them at the Magadi Road Contact Camp and requiring me to obtain from you the required Police escort I have the honor to state that the Superintendent Lunatic Asylum has asked for a dozen Police men to help the staff of the Asylum in removing the lunatics to their new Camp and in guarding them there till additional men required for guarding can be secured and employed for the purpose and to request you to kindly issue urgent order to the Police Superintendent, Bangalore District to arrange for the required number of Police constables being placed at the disposal of the Superintendent, Lunatic Asylum, whenever the latter intimates to the former the date on which the men are wanted by him.

II

Letter No.1987/Mis.274 dated 29th September 1917 from the Inspector General of Police in Mysore, to the Senior Surgeon.

With reference to your letter No.C.911-15 dated 28th instant requesting to arrange for a Police escort for the lunatics to be removed from the Lunatic Asylum to the Magadi Camp, I have the honor to request the favour of being informed for what period the services of the Policemen will be required. If it is for a short period not exceeding about a fortnight, arrangements will be made to depute the men from the City or the Provincial Special Reserve. But if they are required for a longer period, it will be necessary to apply to Government for sanction for the employment

Sir,

With reference to your letter No.C.960-7 dated the 8th instant, which has crossed my letter No.2164/Mis.301 dated the 7/8th instant, regarding the Police guard at the Lunatics Camp on the Magadi Road, I have the honor to state that as the Dasara festivities are fast approaching and all the available Reserve men have to be sent to Mysore for the occasion, it would be impossible to allow the men now on duty at the Camp, to continue there after the 12th instant.

As you say that the services of the Policemen will be required for a few weeks more, and as owing to shortage of men it will not be possible to depute the Bangalore City police indefinitely for the work without prejudice to their duties elsewhere. I request that you will be so good as to obtain the immediate sanction of Government for a temporary guarding establishment, so that the Police staff may be relieved from the contacts Camp at least by the 14th instant or if you prefer it for the entertainment of a special temporary police staff as detailed in the margin, at a cost of Rs.178/- per mensem for such period as their services

are required by you, the cost thereof being met from the provision in the Medical Budget of the current year.

The favour of very early action is solicited.

Sir,

E With reference to Government Order No. 1521-6/Med. 43-17, dated, 7th September 1917, directing the temporary shifting of the Lunatics from the Asylum buildings to the Magadi Road Camp, I have the honor to forward herewith a A copy of letter No. 2184/Mis.305, dated, 9th October 1917, from the Inspector General of Police in Mysore, requesting me to obtain the sanction of Government to the entertainment of the marginally noted temporary establishment to replace the police force already provided by him for guarding the lunatics removed to the Magadi Road Camp.

One Jamedar Rs 20 + 10 p.m.
One Duffedar Rs 16
12 Constables @ Rs 11 each Rs 132
Total Rs 178/- per month.

It is inconvenient and risky to have inexperienced and untrained staff for guarding duty in an out of the way place like the Magadi Road Camp and it is therefore necessary to continue the guard now supplied by the Police Department.

Under the circumstances and for reasons ~~setforth~~ set forth by the Inspector General of Police, I request that early sanction may be accorded to the entertainment of the temporary police staff for a period not exceeding 3 months, the cost being met from the Medical Budget, the source
